PRODUCT DESCRIPTION

The WAC Scene Dimming Wallstation is a multi-scene, single-zone dimming Wallstation that provides customized light level control in areas such as bedroom, kitchen, and other areas requiring users' visual comfort, performance, appropriate illuminance, and satisfaction. It allows the user to select preprogrammed light levels with color or "scenes" with the push of a button. It has a dedicated button for OFF, 4-buttons scene, and for raise/lower functionality. All configurations can be changed via WAC mobile app.

FEATURES

- Clean, Easy installation and simple way to control lighting
- The sleek, aesthetic designs are suitable for all interior locations
- Multi-scene selection, Raise/Lower, dedicated Off button
- Suitable for standard single NEMA wall box
- Setup and configuration via WAC mobile application, no physical adjustment needed
- Each button programmable to trigger or toggle scene or Zone
- Wi-Fi communication is required
